“ I will always remember Linda as my caring and inspirational Weight Watcher leader! She helped me lose almost 100 pounds. She often would stay after meetings and talk with me when I had doubts. She called me at home and answered all my emails. Her meetings were always encouraging and made the difference when compared to other WW leaders. I saw her a year before she passed in a local store and noticed how thin and frail she looked. She told me she had been ill but made light of it, yet I felt it was more serious. I have moved from Kingwood after 30 years to Georgetown and recently found a recipe she had written out for me with an encouraging note . It made me think of her and I looked her up and was sadden to hear of her passing. I will always remember her as the inspirational lady she was and I thank God she came into my life when she did. She often mentioned her children and it was obvious they meant the world to her. I am so happy that her new husband came into her life and brought her happiness that she deserved. May god bless her and her family!

Fondly, Linda Woerner

“ I am saddened to learn of the loss of your beloved Linda. Please take solace in knowing that Our Loving Heavenly Father has already made provision to awaken her from sleep. This is no mere fantasy. Gods' Word The Bible contains nine eye -witnessed, documented accounts of persons who had their life restored after dying. The foremost of these was Jesus Himself. These momentous events give us irrefutable proof of God's ability, and desire to do so again. This time on a global scale. John 5:28-29 assures us of this. Jesus says there in part, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs (graves) will hear His voice and come out....". This will be to a cleansed Paradise earth, where sickness, death and sorrow will be eradicated forever (Psalms 37:9-11,29 and Rev. 21:4). This is the earth Linda will awaken to. May your warm memories of her life, and this very real hope sooth your broken hearts, until that soon to be realized day. God is not like us, He always keeps His promises ! (Titus 1:2) Mrs. D. “ May the peace God gives sustain your family during this difficult time. Lean on one another as the days ahead become to hard to bear alone. Share your memories they will be a source of joy. Seeing the promises in God's word the bible will help you to gain strength and fortify your hearts, granting you comfort.
