“ I want you to know just how saddened I was to learn of Linda's illness and subsequent death. I will miss her so very much. She truly was more than a hairdresser to me...she was a friend. I was lucky to find Linda through a co-worker of mine a few years ago and although it was a bit of a drive for hi-lights...it was well worth it. Not only did my long blonde hair look beautiful when I walked out of her salon (I received compliments all the time) she gave me so much more...she was MY FRIEND. It was her positive outlook on life, her wonderful attitude, laughter and love of life. You couldn't help but to feel inspired and cared about when you were around her. She was always uplifting and often told me of her love and happy life with her husband and her girls. I feel so blessed to have known her.

My deepest sympathy to all of her family and friends. She will be truly missed.

“ I am very sorry to read about Linda. May you allow these words to comfort you during this difficult time. Revelation 21:3,4 says, " With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
