

Lindsay Nicole Stevenson

March 7, 1988 - April 2, 2023

After a courageous battle with cancer, Lindsay Nicole Stevenson, passed away peacefully at home on April 2 2023. She was surrounded with love and family during this entire journey, including her final days. The medical staff at MD Anderson hospital gave her exceptional care and kindness and will never be forgotten. Lindsay was known for her bright smile and love of life.

If you were lucky enough to be Lindsay's friend, you had a friend for life. She loved to cook, listen to music and sing along to EVERY song! Her love of celebrating all Holidays with food and festive decorations will be greatly missed by all she celebrated with. Being with her during any of these activities was never dull. Her laugh and joy was something you never forgot once you experienced it.

She graduated from Timber Creek High School in Orlando Fl and still has many friends that remember her love of cheerleading and singing publicly. She was never described as being shy! She attended college at Valencia community college and UCF earning her degree in Hospitality Management.

Although gone far too soon, she lived a full and joyous life full of adventures. She lived in 7 states including Hawaii and her beloved Lake "Tahome" California. Traveling with family was a passion and we all agree that our 2013 European trip was our all time favorite.
