

Louise Moran

October 12, 1929 - August 6, 2016

Louise Moran, born to George and Helen Coffey Stepat on Oct. 12, 1929 in New York, New York, died peacefully, surrounded by family, on August 6, 2016. She was raised by her warm and loving mother and stepfather, William H. Craig. Her early years were spent in New York City, where she attended Cathedral High School. She went on to graduate from St. Vincent's School of Nursing and continued to reside in Manhattan, serving as a surgical nurse at New York Hospital. Her next career as a flight attendant for Pan American Airlines took her to the far corners of the world.

After moving to Houston and taking time to raise her family, Ms. Moran returned to her nursing career, working as a nurse in several cities and at both St. Luke's Hospital and Rosewood Hospital in Houston. She had rotations in the Emergency Room, the Neonatal Unit, and Nursing Administration. After retirement, she continued her work in the medical field as a volunteer at Memorial City Hospital and Houston Hospice. In addition to Louise's charity work, she was a willing volunteer at her children's schools. She was also a devout Catholic at St. John Vianney, happily devoting time to various committees at her church.

Her primary interests included gardening, reading and playing cards. Louise was an avid bridge player who played in multiple bridge groups and treasured her weekly games with dear friends. Her love of learning continued into her

golden years, as she learned how to use an iPad, took various dance classes and was always up for learning a new game.

Ms. Moran was preceded in death by her parents, her children's father, Thomas M. Moran, by her nieces Elyn O'Connell and Susan Dratch. Her faithful and loving dog, Fiona, died just days after Louise entered the hospital for her final days.

Ms. Moran is survived by her four children, Dona and husband, Brad Hippert; Thomas Jr. and wife, Anthea, and grandson, Luke; Robert and wife, Sunny, and grandsons, Brendan and Xiangrui; John and wife, Patty, and granddaughter, Annie. Her sister, Helen Quigley, and her nieces and nephew, Patti, Sally, and Tommy Quigley, along with their families, also survive her.

A visitation will be held at Dettling Funeral Home, 14094 Memorial Drive, Houston, TX 77079 between 6 and 8 PM on Thursday August 11, 2016 . A funeral mass will be held at St. John Vianney Catholic Church, 625 Nottingham Oaks Trail, Houston, TX 77079 on Friday August 12, 2016 at 10:30 AM. In lieu of flowers, please consider a donation to Houston Hospice.

“ I served on the SJV Women's Club Board with Louise years ago and have visited with her at many church functions since. She was friendly and so active at SJV. She will be missed. Joan Carr

Joan Carr - August 10, 2016 at 07:52 AM

“ I interacted with Louise at the Women's Club at St. John Vianney. She was always a willing worker and had a smile for all. I often saw her when I was working in Joseph's coat and she was always proud of the nice things she found there. Louise will be missed by all who knew her.

“ *To Our Moran Cousins,*

We are deeply sadden to hear about the passing of your Mother. She will forever be in our hearts and prayers. May she rest in peace. Our family has another angel in heaven to watch over us.

Love your Quigley Cousins xoxo

“ *Memorial Club Townhouses Association lost a long time resident and friend with the passing of Louise Moran. She was an indefatigable volunteer always willing to help. It is difficult to envisage a board meeting without Louise seated in the front row actively following the proceedings. Louise was a strong advocate for improving the community. She served on the Landscaping Committee for many years and was currently the chair of the newly revised Landscaping Committee. She was one of the MCTA representatives to the Memorial SuperNeighborhood. She played bridge with the MCTA groups. She and her Fiona were a familiar duo walking in the community. We send heartfelt sympathies to her family and friends. Phyllis Thompson, President, for the MCTA Board and Management*
