“ *Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort and peace in fond memories of them, and the Almighty God's promise in the Bible to restore those asleep in death to perfect life on a paradise Earth, and to "swallow up death forever."*

“ *Maggie and Bob were my dad's next door neighbors in China in the 80s. I have very fond memories of Maggie helping to take care of me when I would visit during the summer and my dad was away on business trips. As an awkward tween, it was always so nice to have a friendly face to say hi to (in English).*
