“ My wife and I moved into Providence Place one door down from the Wilsons. We had the honor of knowing both Mr. and Mrs. Wilson for the time we lived there. We remember walking them out to the pool several times sitting down and talking to them. They were the nicest people we had met. We would help put the bird seeds in the bird feeders and I would sit down with Mrs. Wilson and watch the birds feed; she loved to watch the birds. She was always so nice and kind to us. We will remember Mrs. Wilson and Mr. Wilson always. We will remember them in our hearts. Although we only knew Mrs. Wilson for a short time she was a very special lady to us who treated us with kindness. We sincerely give our condolences to the family as we know she will be missed. With kindest regards, Her friends Jerry and Cindy Torlucci
