“ Mario was such a great peeson to me since the day i met him. I enjoyed going over to his house with dany and friends to watch movies and eat his amazing burgers. I have so many wonderful memories of him. He always treated me like a princess. I always found comfort with him when i had a problem. He thought me one of the best things in life, and that is that family is not about blood but about the love thats shared the trust and communication. He was more than my boyfriends dad to me. He is an amazing person that will always live among us. The memories he left with us will always be cherished.

May he rest in peace and may thr family find comfort love aunt Laura, uncle Paul, Carmen, and precious baby Maddie.

“ *Bill and I am very saddened to hear of Mario's passing and would like to express our sincere condolences to you and your family. Mario was an incredible person and will be missed. Laura, I always admired the special friendship that you had with Mario. Got me to thinking about trading in one of my sisters for a "cool" brother, just like Mario! Love you and praying for you and your family's comfort.*

Psalm 23

*The Lord is my shepherd, I lack nothing.
He makes me lie down in green pastures,
he leads me beside quiet waters,
he refreshes my soul.
He guides me along the right paths
for his name's sake.
Even though I walk
through the darkest valley,[a]
I will fear no evil,
for you are with me;
your rod and your staff,
they comfort me.*

*You prepare a table before me
in the presence of my enemies.
You anoint my head with oil;
my cup overflows.
Surely your goodness and love will follow me
all the days of my life,
and I will dwell in the house of the Lord
forever.*

*Laura and Paul, You are always in our hearts and in our prayers. We
love you and truly will miss Mario.
Love Always, Aubrey and Family*

“ Mario was a great friend. I'd go over to his house just to hang out or help him do stuff around the house. I even went over one weekend and helped him mow his yard and trip the bushes around his house. Never asked anything from me, I just asked if there was anything I could do to help him out or if he just wanted to come hang out. He was one good cook, he cooked me up some hamburgers and I told him, "if I didn't work so far away, I'd have you cook me food every day." He responded, "you know I would; I love cooking and it would give me something to do during the day and use my pots and pans." Laura and Paul, I am dearly sorry for your loss and I wish I could be there to spend some time with yall. I am currently overseas working for the U.S. Air Force, and I know Mario was proud of me choosing the Air Force. :)

“ Mario was one of my favorite cousins. We always had so much fun. When we were kids we would always play Red Rover. He was always the best. We all wanted him on our team because he would plow right through always laughing while he was knocking us down. As of recently we cooked. He always ate what I cooked and said it was great. He even ate my salad. It is going to be sad to not have him here. Laura, we are here for you and Paul. Just remember... he wants you happy!

Laura - Jim and I are thinking of both you and Paul!!! Keep your memories close in your heart and Mario will always be with you! Love you very much! Andrea (Andy) and Jim Jozwiak*
