“ *Sending our condolences to Susan's family but especially to Makenzie, Madelyn, Christopher and Emily. When we moved in across the street from you all six years ago, your Mom was so friendly and welcoming. Since then, we considered her a friend. She always had a great smile and positive attitude. We loved seeing her outside working on that beautiful yard which she said she enjoyed doing because it was her therapy. We will definitely miss her presence in our neighborhood and lives. Love,
Eliana Castaneda and Mary Vento*

“ *Although Susan was a business acquaintance, she made a big impression on me. She always had a welcoming smile and helped me improve with her expert knowledge. I will miss her physical presence very much but she lives on in my heart and in my daily work that she helped improve. I extend my deepest sympathies to Susan's family and friends.*

There were countless number of baseball games, from little league thru high school, where we would sit together cheering on our boys on the field. Senior Day 2016 was the culmination of all those years. Thank you Susan for all those memories.....Irene.
