Yes... I was always happy when Matt worked as a sidewalker with me during hippotherapy sessions. He had a way with the children, he helped them to relax. I pray for strength that only God can give you all at this time. Haila Mahan

“ *I had the pleasure of teaching Matthew at West Briar. He was a good student and very respectful. Unfortunately I now live in Richmond, Virginia otherwise I would be attending his memorial service. This is very sad news for his former teachers. May God bless your family during this difficult time.*
