“ *Merrel was my uncle. I remember him as having a quick twinkle in his eye when he smiled, his fondness of people and interest in everything. Marge would just shrug her shoulders when we would find he had wandered off to chat with some stranger.*

“ Merrel was my Dad’s (Chuck Beck) first cousin. I have so many fond memories of him & Marge visiting our family in Florida when I was growing up, as well as the times we’d come to Houston to visit after I was married & living in Austin. That charming smile and funny wit always warmed my heart. He was a treasure for sure and I just adored him! To Marge, Rick, Diane & David - I will keep you in my prayers & thoughts. Love you!

“ To the Schilling Family, My deepest sympathies to the passing of the patriarch of your family. I am fondly remember Merrel as the GM for US Steel in Houston almost 40 years ago, where he allowed a rookie steel salesman to visit frequently. Only in my later career did I recognize the extreme courtesy he extended to me. I have never and will not ever forget Merrel. May he rest in peace for ever.

“ Marge - my condolences, too. Seeing you and Merrel was always a highlight during my visits to my parents, and I'm glad that I was able to see Merrel and you at Pat's funeral, just before Covid put a hold on so many things. My thanks, as well, for the friendship that you and Merrel provided to our parents, particularly once Pat was gone.

All my best,
