“ Dear Rhonda, Lynette (Andrew) and Sam,

I don't know what say, my heart goes out to all.

It seems like yesterday when I was so lucky to have met Alan, Rhonda & Lynette in our back yards in Mississauga, (Ontario Canada.)

Such wonderful memories, many nights sitting out laughing. He became my "Homey".

Years of happiness.

Time slips away so quickly, grateful for the blessings of friendships.

As I write this, a smile of Alan crosses my face.

A great person, a wonderful family.

My thoughts & prayers are with you all.

Big hugs ,

Marie-Anne & family

“ Rhonda, Lynette, Andrew and Sam,

While I did not know Moss very well I do know Sandy. She always spoke with love and caring about him and all of you. May the peace of the Lord be with all of you at this time.

“ Moss and I went to High School together and became college roommates as we began our college tenure. He was a great friend, always very funny and had a way to put a smile on your face no matter the circumstances.

He was one of those people that if he crossed your life he made a positive impact. May my friend Rest In Peace and I pray for Gods grace as the family and friends mourn his passing.

“ I have many fond memories of Moss Alan. He always had a welcoming way about him and every encounter was full of laughs and entertainment in some way. While at Sam Houston everyone I knew would change from big name Houston FM radio channels to the small watt local AM station to hear Moss DJ the show. He was our own Wolfman Jack and outperformed the bigger FM stations anytime he was on air.

He was a good friend and my life was improved in just knowing him.

“ I pledged Alpha Tau Omega in the Spring of 1980. Moss became my Big Brother. I have fond memories of hanging out at the Tau house with him and making numerous "See Runs" around campus and sorority hill. He was a friend to all and always energetic and welcoming. As a pledge, I couldn't have had a better Big Brother! As rush chairman...he was nothing less than amazing! His engaging personality, quick wit, and welcoming smile worked wonders and contributed heavily to the growth and success of the Zeta Mu chapter. I have no doubt that he is bringing smiles to many as he rests in Heaven with the Alpha and Omega, his Lord and Savior!

I knew Moss from mostly activities at the North Shore YMCA, back in the 1960's where we played basketball together (with other friends).

While we were out-of-town at a basketball tournament (maybe Galveston or Waco or somewhere) and while eating out at a restaurant (probably dinner) Moss ordered and ate lobster - and got a little queasy. At the time it was funny because we gave Moss a hard time (as young boys tend to do for something like that).

I and others that were there never forgot that. I liked Moss and have very fond memories of our times together.
