“ *Nick I know you can't read this but I miss you so much I still keep the bear you got me on Valentine's day on my bed. I always think only if I had known and hadn't moved. I miss sitting next to you in biology class. I'm sorry I lost contact with you. You were an amazing guy and I always wished I had a family like your. You always said such great things about them.*

“ Nick was a special young man who I am so happy to have meet. He was especially special to my husband George and will be missed by both of us. The world has lost a kind soul but God has a plan for that soul. We have a hole in our heart. God Bless all!
