

Patricia Lynn Arnold

February 17, 1959 - April 17, 2014

Patricia Lynn Arnold, 55, passed away peacefully, surrounded by her family and friends on Thursday, April 17, 2014 in Sugar Land, Texas.

Patty Cakes, as she was commonly referred too, was born February 17, 1959 in Denver Colorado. She is preceded in death by her loving mother and father John and Joan Young as well as her brother Glen Young.

Patricia is survived by her husband of 32 years, Pete Arnold; Daughters, Crystal and Eloy Varela, and Candice Arnold and fiancé Chad Clisby; Grandchildren, Alex, Alexis and Austin; Brother, John Young, and Deborah Smith, and many other relatives and close friends.

Patty always had a sparkle in her eye that twinkled a little extra when she was up to something, never judged a soul; she adored her two daughters, family and all her friends. Her presence alone was a magnetic force that no one could resist. She had a green thumb, and was so proud of the magnificent plants she nurtured. She enjoyed the outdoors, basking in the warm sun, visiting the beach and lakes. Words cannot describe how she impacted all of the lives she touched over the years. Everyone was a friend, she was a kind generous soul, and would literally humiliate herself if there was a chance of cheering someone up. She will be deeply missed and knowing her will always leave a solidified impression on the people's hearts she has touched.

The family would like to extend a special thank you to all of those who cared for her over the last several months during her courageous battle with Cancer.

A Celebration of Life will take place at Sugar Creek Baptist Church, 13213 Southwest Freeway, Sugar Land, Texas 77478 at 3:00 PM on Tuesday, April 22, 2014. In lieu of usual remembrances, donations made to any charity helping children are preferred.

“ *Hiii Nana, it's Alexis. The last time I was with you I was probably 10, I'm 19 now and I try so hard to hold on to all our memories but I feel like their slowly fading away and that kills me. But the love I will always have for you will forever be there. I have like bits and pieces of remembering the times we'd wake up in the morning in the RV , sun shining and the birds chirping and sitting outside with all the beautiful plants and the warm wind blowing in our face with ur bells ringing and mostly the best part is having the love of my nana. For years I've been trying to find that type of peace again and one day I will find it with you again. I love you Nana , heaven couldn't wait for you.*

“ Mom, it's been a long time- I don't get on here to often as it brings tears. I see crystals pain in missing you- and understand our grief is shown in very different ways. She's sad a lot- and longs for you- as much as I do but doesn't have the distractions and momentum I do. There is strength in knowing how much you loved us. I just wish she drew on that strength- I love and miss you infinitely. Charlie talks about you- although doesn't quite understand- outside of knowing I'm sad when I reminis. I wish you were here to see her, and all the things your girls are doing and how we grow.

“ Happy Birthday, my Beautiful angel! 🥰 Me and Candy miss and need you so very much, and so do your babies!!! It hurts so much not having such a great mother, grandmother, best friend, here now with us to celebrate. This very very special day. 😭 I need you so much mom it's crazy! I just want you to know how very much me and Candy and your granbabies love you and miss and need you so very bad, we all love and think about you every day that goes by.... a lot of days have gone by without our angel, but we all know you're still with us every day!! Look after Candy we need and miss you so much.... sometimes a lot of times feels like life is not fair at all! The way I see it is you can't keep the beautiful, kindergartens most spiritual woman around for long she's a busy body, probably out there swarming around a tiger Lilly now. Or having a bloody hot cup of tea with her mom! Tell nana and papa and uncle Glen we all miss and think of you all 24/7 🥰😭 I'm sorry for all the stress and grief I've ever put you through my Beautiful Beautiful angel! All this we can't give you. Today on this most beautiful day just now now it's your day and I and Candy and your grandfathers and I'm sure a shot load of others will be thinking of you right now and throwing out today! Give nana and papa and uncle Glen my love xoxox. We need you but we will meet again! We love you so so much today you're your favorite and we will celebrate your life! 🎈 🎉 🍰 🥰 🌟 🌈 I love you and will continue to always live in your name Grace and beauty my fire cracker! !!so see you all later I love you more! Candy had a very nice idea so tomorrow. Me and kids have very special. Letters we will send up to you 😊 we can't wait I love you and will continue to think about you all day long and for the rest of my life or until we meet again my love!!! xoxox wish I could give you personally today's gonna be a very very hard day, I have what I have of you now with me and for the rest of my life I will always have my little spark my wonderful grandma my best friend..... my whole world! we love you!!!! more than the stars. love Crystal and Candy and grandfathers, love ALWAYS, your postal and all munchkins. And of course it's 1 and only Candy. We miss and love you more than the world would know!!!! sleep well our beautiful angel. Xoxoxoxoxo

“ Mom, mom, mom, Oh how my soul aches without you here. I miss our everyday talks and your silly little personality... I cant believe 6 months has passed, and I find that this is only getting harder and harder the more time passes without you in my life. I love you with all of my heart and wish I could hug you- or go buy you a present to make you smile. I don't know if I ever expressed exactly how much you mean to me, but I sure hope you know I tried. You are my world and with out a doubt the one and only being that made me the person I am today. You taught me integrity and strength- (with a dash of spunk of course) I miss you so much. I threw the biggest fit the other morning, I think Chad may have accidently killed a plant of yours and I seriously went ape shit. Now we all know I am no green thumb but it was something you cherished, therefor I do. I never understood how bad you really hurt for your mom until now- and I am so sorry you ever had to endure this pain- I hate it. Gosh, what I would do to clean or dust for you again... Or play with your hair. I love you so much- I need you back so badly... So I guess that's all I have to say (out loud) until I see you again... Love you lil Candy Cane.
