

## Patricia Deiane Fish Mobley

February 22, 1938 - September 9, 2022

Born in Lakeside Arizona February 22, 1938, Pat passed away peacefully at home on September 9, 2022, due to Alzheimer's Disease. She grew up in Mesa, AZ, and it was always home to her. She obtained a bachelor's degree in Music Education from Brigham Young University in 1965. In 1991 she became an attorney, receiving her J.D. degree from South Texas College of Law.

Pat met her husband, David, in summer school at Arizona State University, and they have been inseparable since. In 1965 they left Mesa for Memphis, Tennessee for his medical school. When David was an officer in the USAF they spent two years at Sheppard Air Force base, and since then she has been a Houstonian. She was a beautiful, caring loving person. She had an immediate connection with everyone she met, and she was adored by so many. She doted on her four children every day as they grew up in her loving home. As a daughter, sister, aunt, cousin, wife, mother, and grandmother she excelled in loving her family. She was an entrepreneur at heart, starting several businesses as well as her law practice. She was a talented artist and musician. She enjoyed travel, tennis, skiing, bridge, and exercising, as well as board games and puzzles with her grandchildren.

She is preceded in death by her parents, Ross and Bernadine Fish, and her brother Erroll. She is survived by her husband, David, and her children, Tori, Brian, Steven, and Susan. She leaves behind four siblings, Pam Tyler, Dwight Fish, Debbie Brock, and Michael Fish and their families. She will be missed by

her six grandchildren, Michael, Danielle, Jordan, Cole, Maxwell, and Paxton. She also leaves behind numerous cousins, nieces, and nephews on whom she bestowed her endless love. She will be dearly missed by all who knew her. She was a gift to all of us.

The family wishes to extend special thanks to Ramona Hernandez, Choice Home Hospice, and Dr. Martin Rossi for their wonderful care during her final year.

In lieu of customary remembrances, those wishing to honor Pat may direct contributions to the Alzheimers Association, [ALZ.org](http://ALZ.org), and help to end this terrible disease.

“ *Glad you are free, but am missing you so much. We shared so many memories and now I have no one that remembers all of them. It's such a comfort to know that we will be back together again, but 'til then we will be lonesome.*
