“ Dear Susan and Stephen,

I met Paul back in the 80s when my sister and I rented a house he owned in Sharpstown.

We lived there for for four years and so got to know him in a small way. Once, a tree needed to come down and he tried to pull it down with his truck -- the tree won. Happily, there was a City of Houston back hoe that happened to be in the area and Paul talked him into pulling the tree down.

Back then I think Stephen was around 8 and Paul was very proud and talked about you two frequently.

Paul introduced me to State Farm and I am still with the same agent he introduced me to all those years ago.

He was always very kind to me and I am saddened to hear of his passing. He was a good man and I thought highly of him.

I will pray that your warm memories will help lessen your grief at his loss.

Sincerely,

Connie Wallin Rieger
