“ *Dear Mother ,*

Today's your birthday I would never forget. I wish you were here so I could give you a birthday present with cake and ice cream. We all love you and miss you so much. You wouldn't believe we have a cat now. The cat was never meant to take the place of Bambi but someone left it behind and she started coming up to the door during the winter when it was cold. I know you would have taken her in to. You always had a kind heart for all animals and so did dad.

*Love you always and forever,
Your son Michael*

Michael:

Your mother will be missed. My daughter and I would sit next to Polly in church. She would save us a seat. We loved Polly.
