“ Our deepest sympathy in the loss of Aunt Pauline. She was a wonderful and caring woman. She had such a big heart and her loss will be deeply felt. No words can replace one so special. Though, she lives on in her wonderful family and grandkids and great-grandkids. A piece of her will always be out there alive in the world. There will come moments when this will be evident, in people, places, words. Our memories of Pauline can never be taken away and I hope that adds a little comfort. Her Spirit will always be there.

Love,
The Taub's (Melissa, Dave, Jane & Maxwell)

“ I have fond memories of Mrs. Paneral. She was an amazing woman and showed me what a strong mother/grandmother looked like. I will never forget going over to her house and even if you told her you were not hungry her pulling out the entire refrigerator and making the most amazing spread. I have not seen the Paneral's in over 10 years but felt called to write this tribute because Mrs. Paneral was such an great woman, she was always busy, busy with family and her home. Both Shaun and Jill had mentioned that she asked about me over the years, I am honored she thought of me. I recently took my young boys to Carlsbad Caverns and while driving through the north side of town was flooded with memories of the Paneral home and good memories.

Sending condolences and love,
