“ So sorry that Peter is no longer with us. I had not seen him in years but always had a place in my heart for him. Peter was always kind, and he pushed the edge. Nice to see all the pictures of him on the water. I remember him as a young child and my younger first cousin, catching minnows at the beach (he called them minerals). My condolences to Myra and the children, as well as Peter's siblings. See you on the other side, Peter!

Your Cousin, David Martin
