“ *Phyllis is my older sister. I can not tell you how many times the phone has rung, and my first thought is it's you calling to just say "Hi". You may have been miles away, but you made sure to check in on all of us. I have great memories of growing up and having you and Joe, and Michele in my life. Thank you for being you! Love you always!*

“ I met Phyllis years ago as “Michelle’s Mom.” She was the nicest person and really loved her pets. You could always tell how much she loved Michelle and it was obvious the bond between them. She always had a great smile and I rarely saw her in a bad mood. Prayers for all who knew her and are missing her now. 🙏

“ Sending much love to Michele and everyone whose lives were touched by Phyllis and Joe. They were such fun to be around while we were growing up and cutting up during High School; our gang of girls always felt like a part of their family and shared many great times with them.
