“ Dear Ileaine,
I am so happy to see Ray's picture as it reminds me of how much we enjoyed him when he came to the Kent Place reunions. I think he was there twice. He was so friendly and interested in all of us. It was always wonderful to hear your voice as you talked about your life together. I know Ray felt your love and care right to the very end.

Hugs,
Katie

I took two of his geophysical correspondence courses in the late 60's. They were excellent and the whole scheme worked well. Many thanks to Ray.

“ *To Ileaine and Fisher Family,*

I am saddened to know such a great man is no longer on the earth with us, but I am glad Ileaine and Ray were always there for the entire family as well as Ileaine's family. Ray loved you, Ileaine so much! He loved his children, too. He doted on his grandchildren and great-grandchildren. He loved his step children and the family. God Bless you and your family and May you be comforted by the outpouring of love surrounding you .

“ Ileaine:

I'm so sorry for your loss--the two of you were amazing and I'm so glad you had these last few weeks together. Everyone could see how much you meant to each other, and you made such a difference in his life. I'm glad God brought you two to Kindred and into all our lives--your love and compassion are certainly something we'll never forget. Please take care of yourself--you know I'll be checking to make sure you're eating! God bless you and your family at this time and always.

“ *To the Fisher family, when I met Ray in the wedding and I was totally impressed of him showing his efforts to communicate by sign language and he told me himself that he was totally happy to be part of the wedding. I smiled and he also said "boy! I try my best to remember how to sign " I replied " At least, I understood you all the way instead of writing back and forth" we laughed! I met him once and his attitudes toward me showed that he loves his whole family which includes his new son in law! May God bless him and all of you! I know in my heart that he's proud of having the # of his family members being deaf!!*

“ Ray,

I first met you in 2009 and was impressed that you knew sign language, not many hearing parents like you could. Your smile was a lot like Kathy (RAE K)'s and personality- Easy going and friendly. I got to know you more and more and gained trust in you and was very comfortable talking to you. You had a sense of humor.I felt so blessed that you gave your daughter away to me at the wedding. I enjoyed your stories and poems. I enjoyed hearing your stories about traveling in different countries and we shared . I was very lucky I saw you just few days before you left with an angel. Zyra, your great granddaughter and you will always be BOND. we lost soldier but gained new soldier. We will always remember you everytime we celebrate Zyra's birthday on Feb 1. I miss you very much. Love you!

Your son in law,

Satish Abraham
