“ *Richard and Linda were great Friends and my husband Gene worked with Richard and for Richard in Engineering. We, both families, moved to Houston area for work in the Engineering Field, from San Antonio, Texas. Richard is dearly missed. I was seriously ill when Richard died and have only found him today, September, 2023. So sad to lose a Friend. My heart goes out to Rick, Linda and the Family. He was one of the good ones.
