

Robert George Coppock

September 30, 1971 - November 6, 2012

Robert G. Coppock passed away Tuesday, November 6, 2012. He was born on September 30, 1971 in Dayton, Ohio. He is preceded in death by his father, John W. Coppock, Sr. and grandparents, Fay Louise Coppock of Boise, Idaho, and Loren and Elaine Distelrath of Venice, Florida. Robert is survived by his mother, Cheryl Coppock of Houston; Brother and sister-in-law, John W. Coppock, Jr. and his wife, Theresa, of Port Aransas; Nephew, Ian Chandler Coppock of Port Aransas; Nieces, Kylie Loren Coppock of Port Aransas and Ashley Renee Periman of Houston.

Robert was a beloved son, brother, uncle and friend, whose family meant so much to him. His kindness touched many people during his life. He gave of himself and many times met the needs of his friends before taking care of his own needs. He loved animals and never turned away a kitten that needed a home. As a teenager and young adult, Robert enjoyed playing the keyboard or drums with friends and fellow band members. Because of music, he enjoyed the Houston night life with his friends. As an avid science fiction fan, he was fascinated with the possibility of how science fiction could become reality. The latest technology always captivated his interest. He earned his living by patiently assisting people with their computer problems. Robert is sadly missed by his family and friends.

“ *Rob and I became fast friends and we helped each other through the gangly teenage years and became adults together. He had a kind soul and an inexhaustible amount of love to give. Rob was like a brother, and I will always cherish the time we had together.*
