Robert Maier grew up in the Sinclair Plant 13 Community, which was located between Seminole, OK and Bowlegs, OK. He attended Taylor Grade School, which was located about a quarter of a mile to the South of Sinclair Gas Plant #13. Robert's father worked for the Sinclair Oil Company. Robert is in the young fellow . . .second from the viewers right in the second row!

I have a lot of fond memories of Robert and his Maier family!

*Sincerely,
Dick Ledbetter*

“ I had the fortune to be one of his residents, he was a great educator and Gynecologist!! I repeat his comments to my residents and they laugh at them the same way I used to laugh. His clinical expertise and surgical skills were absolutely essential to my education. He used to feed us every time he was on call. Thanks Dr. Maier!!

“ My name is Jerry Ross Speer Pasadena Tx. Bowlegs HS class of 1954. Bobby and I were raised on the Walker oil field lease together. Our fathers both worked for Cities Service Oil Co. We played on the same football team. I was a Sr. and Bobby was a Soph. So sorry to read of your lost. He was a good bud and teammate. I will pray for him.

Jerry, Robert's father worked for the Sinclair Oil Company and they lived in a Sinclair Plant 13 company house! I believe you have Robert confused with Bob Miner . . . both very nice fellows!

“ *Bob was a great mentor and friend. He helped me immensely in my career with a combination of wisdom and humor. He was idealized by his residents who he taught with zeal because he hoped they would love caring for patients as much as he did. LBJ misses you Bob.*
