

Robert Keitt "Bob" Scott

March 16, 1935 - October 15, 2021

Our beloved Bob passed away Friday, October 15, 2021 at the age of 86 from complications of COVID. He was born in Waco, Texas, to Artymae Keitt Scott and John Robert Scott in 1935. He grew up in Hubbard Texas, and graduated from Hubbard High School. He then spent four wonderful years at Baylor University, majoring in finance and graduating in 1957. His friends from those four years became a lifelong blessing in his life and in that of his family.

He met Elizabeth Embry in Premont, Texas, and they were married four years later in 1962 while he was working as a bank examiner for the Federal Reserve. In 1964 they moved from Dallas to the Clear Lake area of Houston where he started his commercial banking career with Nassau Bay National Bank. This was an exciting time to live across the street from the Space Center and a wonderful place to rear their three sons.

Bob was an integral force in the growth of the community surrounding NASA, and was involved in too many community organizations to mention. He continued as president of Nassau Bay National Bank as it morphed through several manifestations, eventually becoming part of Bank of America . His last position was as one of the two district directors overseeing all the bank branches in the Houston metropolitan area.

The joy of his life was his family, especially his "bride" of fifty nine years,

Elizabeth. Other survivors include his three sons: Elliott Scott of Houston; David Scott and wife, Kamela, of Jacksonville Beach, Florida; and John Scott of Nassau Bay, Texas. And then there are the cherished grandchildren: Nicolas, Isaac, Hannah, Sam, Maryallie, Judith, and Jacob. There are simply too many wonderful friends to mention.

A memorial service will be held on Saturday, October 23, at 10:30 at Lifepath Church, 17703 West Little York, Houston 77084 .It may be that the service will also be live streamed. In lieu of flowers Bob would have appreciated donations to Lifepath Church at the aforementioned address. Masks are not required but are recommended.

“ *Bob was such a warm and caring man. He was the first person I encountered when I came to LifePath, he made me feel welcome and like this was the place I needed to be. Because of him I joined LifePath and spent my years there trying to make everyone I came into contact with feel as welcome as he made me. A brilliant light has gone out.*

My prayers and condolences to the Scott's and LifePath family.

“ Dear Elizabeth and family,
Reading all of the comments, I can only say ditto. Bob gave my husband, Clyde, his first banking job in Texas at Nassau Bay National. We so loved this gentleman, Nassau Bay neighbor, Christian, banker and friend. We are so thankful our lives crossed with this amazing human. May your memories give you comfort.

“ *Bob was the first person my wife and I met when we first visited Lifepath. I'll always remember the twinkle in his eye. The first few times we met he actually called me Ron - he was such a sweet soul I didn't have the heart to correct him! He will be missed.*

“ *Bob had the warmest smile and twinkle in his eye of anyone I know. He was always interested in what you were doing and feeling. Bob could make anyone comfortable and listened intently to what you had to say. He was an example of how we all should be to others, loving and kind I know he will be greatly missed by everyone!*

“ *Dear Elizabeth and Family,*

Bob was an amazing person, always so kind and caring. We will miss his smile, conversation, stories and our lunch dates together. Plus, so much fun riding together to the monthly Ladies Club Dinner Club. Willie will miss his tennis partner, too, even though it has been a few years since they played together with the group on the courts.

We will miss Bob, but know he is with the Lord.

Bob was a man you trusted, valued his advice, could enjoy a good joke with or even just a casual conversation. He was still our leader when we had gatherings with the Nassau Bay Bank group. God just received one of the best. Love and prayers to the family.

“ Bob was a true gentleman. An asset to his community. A banker's banker. And mutual friends with my Father, Wayne Young. Bob gave me my first job as a teller at Nassau Bay National Bank (no doubt due to the comment in the prior sentence). And he stirred interest in me that set me on course to become a banker. Bob was one of a handful of men who served as a living example of the kind of man and professional I hoped to become. Perhaps most importantly, he was a friend, someone genuinely interested in me and others when he asked "how are you doing?". I miss Bob. He leaves a big hole as well as a lasting legacy among his family and friends...
