“ While , because of distance, we did not get to know Ross on a personal basis , we are very close to his parents Tom and Doris. We have seen the concern and love that they have had for their son and the suffering they have shared with Ross during his long illness. We admire their courage and faith during this most difficult time and our prayers are with you Ross, Tom and Doris. God bless you.

“ Dear Doris, Your friends in Alexander Love Chapter, National Society, Daughters of the American Revolution, want you to know that you and your family are in our thoughts and prayers at this sad time. We ask the Lord to hold you in His loving arms and keep you strong in faith through the difficult days ahead. Having lost my own precious son John last June, I share your grief. Knowing that our "boys" are safe in heaven and free of their terrible suffering and pain comforts me, and I hope will be so for you. May it help you to know that many are thinking of you today and praying for you. In DAR friendship and love, Polly Dixon, Sunshine Chairman

“ Dearest Tom and Doris,
Although we didn't know Ross, we know he
was a wonderful person because he was part
of you. Although words seem so inadequate
at a time like this, please know that our
prayers are with you. We pray that God wraps you in His grace and
grants you both peace in your hearts.
