“ Prayers and condolences to all the family. Thank you for having funeral Mass online. Sitting at computer waiting for service to begin. Uncle Roy was always a kind gentle soul. Being in CA and he in TX didn't give us much opportunity to see other often. But when we did it was always a pleasure to catch up. What a gift to live 99yrs of life. God bless all of you,

“ To the Family of Roy Johnson, I had the great honor of getting to know Roy when he would ride with me and my Dad to the VA hospital with the Knights of Columbus to see our veterans and to let them know that we still cared for all of them. Roy and Dee were always so kind to me and my parents they live in the same apartment complex at the Camden apartments for several years and they would have me come over to help them with their computer problems. I really enjoyed coming over to help them and I will always remember those days with both of them. I will miss him greatly.

“ *Mr. Bub and Miss Dee were my 'adopted parents' when we lived in walking distance of each other in New Orleans. Barbara and I remain very close, closer than the sisters neither one of us ever had.*

To all the Family: These are 2 great souls who showed the world much kindness, lots of love and loyalty to each other. I'll remember them forever.

*Blessings,

“ Roy usually had a glint of mischievous joy in his eyes. He could lite up my life just by passing by in the hallway at The Abbey when we both lived there on the same floor. What a Godly team he and Dee made. All their years of volunteer service are a testament to their love and high moral character. I am sorry he did not live to enjoy his 100th birthday. This world needs more folks like Roy and Dee. With fondest memories, Sue Kaestner

“ Sue and I had the blessing of sharing life with Roy and Dee at the Abbey. Roy and I frequently kidded each other at breakfast. I valued very much his kindness. Truly a long life well lived with love and commitment. A great example for me and others. Barbara and David, my condolence at your great loss. I always enjoyed our times together, you are examples of the love and caring from being a part of Roy's family. I send a tall virtual hug. Arnie Kaestner

“ Barbara, I am saddened to hear of "Uncle" Roy's death. He and my Dad's friendship began during their days in Naval ROTC at Tulane. Our parents then remained valued friends throughout their entire lives. Your Dad will be remembered as a man of integrity and kindness. My prayer is that our God will comfort you as only HE can during this sad time.
