“ Shawn Ayers was a great friend. We both went to Tyler Junior College and were fraternity brothers in Sigma Delta Nu. He was always positive and treated me like we were related by blood. I extend my most sincere condolences. I hate that we lived so close and never got together. My prayers go out to the family. I pray for God's presence and that he holds everyone in his supporting arms during this tough time. God Bless!

“ It was impossible for anyone in my family to keep from smiling when around Shawn. Growing up he got in trouble but who could be mad at that face? I see that face in Hudson and Logan just like I'm a kid again. There is no doubt that just as Sam and Shawn knew they were loved by their wonderful parents, Hudson and Logan know the same, that their Daddy loved them with all his heart. My heart goes out to you, Missy, Rex, and Raye, during this time and always.

Missy, we are so sorry. Shawn had such a warm personality. He was a wonderful Dad with Hudson and Logan. He was great with all the children as he was always one of the best cheerleaders when one of my children or other children he knew were competing in sports activities. Everyone knew that Shawn wished them well and was there to support and help. He will be definitely be missed.
