“ *I am Larry's Mother and would like to send my condolences to all of Tom's family. I wish I could have gotten to know Tom better; he was always a wonderful host when I was at his house. An example of Tom's kindness is once he had to take me to the airport because Larry was out of town, unfortunately since it was an early flight, Tom had to pick me up at 5:30 in the morning. That didn't bother Tom, he was cheery and we had a great conversation. He had no problem taking a little eighty year old lady like myself to the airport at so early in the morning. I always admired Tommy's ambition and he was always a hard worker. With deepest regrets-Sally Myers*

“ My sympathy goes out to the entire family. I spent Christmas 2011 at Tommy's home as a guest of Tommy's extended family. What a wonderful host he was. The Christmas dinner was awesome as was Tommy's hospitality to all those present. What a tragedy..

*“ Please accept my condolences. I have played golf with Tom on many occasions. Everytime we got together he either was trying to figure out his golf swing or talking about his family and friends. He was a good friend and will be sorely missed by me and his other golf buddies, as well as the family that he loved.*
