“ *I first met Toni and Noel in Rwanda, and had the good fortune to trek with them to see gorillas in Uganda a few years later. Toni was such a shining light, full of love, joy and grace. Toni and Noel's generous support of Gorilla Doctors has been invaluable, and Toni always bought dog treats for my pup Ama! That's Toni - generous, thoughtful and kind to think about the little things. She is so missed, but her light shines bright through the kindness she spread throughout the world.*
