

William Blake (Bill) Jackson

November 3, 1977 - June 26, 2022

William Blake (Bill) Jackson, age 44- Star Wars aficionado, drummer, lover of classic rock, and amazing Cat Dad of his precious Jabba Girl- left his earthly life unexpectedly on June 26, 2022. Bill was born in Houston, TX, and spent his public school years in the Alief School District, where he excelled in academics and sports. Even as a little kid, Bill was forever entertaining us with his impersonations, comedic anecdotes, and uncanny cartoons that featured Biff, a character he created. He was a joy to us all.

Following graduation from Hastings High School, he attended Texas A&M majoring in environmental design, pursuing his creative spirit. Bill moved to the Washington D.C. area after graduation and embarked on a career as a visualization specialist, pioneering 3-D animation presentations for clients, recently relocating to his native Houston to work in the same field. He was a talented and innovative team member and asset to the several companies he worked at during his career.

We honor and remember all those in our families who have gone before us. Bill leaves behind his parents, Joy Noble (Gary), and Mike Jackson (Phyllis), as well as his brother, Jeff Jackson (Myra); nephews, Landon and Mason Jackson, maternal Grandmother Jean Land, aunts, "Cricket" Johnson (Waverly III), and Sally Rasmussen (Bob). He leaves an empty hole in the hearts of his beloved cousins, Waverly Johnson IV, Peyton Johnson, Christian Rasmussen, and Lt. William Rasmussen, all of whom he treasured dearly. Also, he will be greatly missed by Aunt Kay Holland (Bobby), in addition to

cousins, Shannon Judge and Brandon Holland, as well as step-brothers, Lance McLeod (Kristi), and Brett McLeod (Nicole), and their children, Grayson and Sienna. Bill also is survived by his step-sister, Lauren Cristy (Clay), and step-brothers, Reagan Noble (Stephanie), and Jared Noble (Kim).

A gentle, sweet soul has found peace in his heavenly home- "May the force be with you" Bill until we meet again. You were fiercely loved.

A Private family memorial service will be held at Memorial Drive United Methodist Church. In lieu of flowers please consider contributions in Bill's memory to Houston SPCA at www.houstonspca.org and Citizens for Animal Protection at www.cap4pets.org

We looked forward to meeting you after hearing so much about you from your mom. Joy shared your work with us. She was proud of you. God hates to see his loved ones suffer so, he takes them home to be with him in PEACE. We love you BILL, but God loves you more. Rest on dear one, till that resurrection morning. Amen.

“ *Bill had such tremendous talent, and was a wonderful part of the VLK Architects family. I could always count on him to help start my day with a smile. I am thankful our life paths crossed, and will miss him terribly.*

“ Bill was an excellent addition to the Experience Design team at VLK Architects. He was very humble about his work, despite how talented he was. Within days, he was creating beautiful work, solving issues on our team that we had been unable to conquer! Bill was always willing to take on any type of project and learn any software. He was a kind and unique soul that will be truly missed at the firm, but especially within our small team.

“ Bill will always be my one and only brother and sibling. I remember so many things but what stands out to me is his hustle and his desire to win in sports. He was a determined competitor who was never content unless he knew he gave it everything he had - and he always did. I miss him so much. He has been called to glory and he is at peace now.

“ I remember Bill's energy when I asked him to show me some of his 3D visualizations. He was very proud of his work, and justifiably so.

I remember Bill's enthusiasm for all things Star Wars, and our discussions to understand Star Wars stories.

I remember Bill's compassion for his cat. He was concerned about his cat's ability to adjust to a new house.

We are so deeply sorry you have to go through a heartbreak like this.

We were just thinking about the unforgettable Christmas dinners with Bill. They were the best times, and he was the best.

Rest in peace.
