“ *Our sincere sympathy and condolence to all the wonderful Muncaster family....Bill and Iris may be gone, and in each others arms once again in heaven, but, we here on earth will always relish the memories of the glory days Prudential Southwest with Bill and Iris. The loving welcome and friendship they extended to so many is legendary. It is said we are never gone as long as we still live in one persons heart. Bill and Iris survive in the hearts and minds of all you beautiful children and grandchildren they raised.....and they live in ours, for always. God Bless you all.....love, Jim and Connie Christy/Lubbock, Texas*

“ *What an incredible legacy he leaves behind! The experience of knowing all of you Muncasters, has always been some of the most fun, and treasured memories of my life. I had never met more warm, loving and accepting family. And, I have always been so thankful to Bill for opening the door to Prudential for me! I know he will be so missed. I am however so happy, and comforted knowing he has finally been rejoined with Iris. May God Bless you all, and grant you peace. Angie....(Joy and Cliff)*
